

Dental Care for adults with learning disabilities in Surrey

0845 271 2040

Phone this number to get help with dental care in Surrey.

You may need help because:

- You want to find an NHS Dentist.
- You need a dentist in an emergency.
- You may need to use the Special Care Dentistry Service instead of an ordinary dentist.

Special Care Dental Service

There are 4 Special Care Dental Services in Surrey. They are based in Redhill, Guildford, Woking & Epsom.

People with severe learning disabilities can get dental care from the Special Care Dentistry Service.

Dental Access Centres

These centres are for people who can't get care from an NHS dentist. The access centres mostly treat people just once, in an emergency.
